INTRODUCTION

There are friendships and there are FRIENDSHIPS, partnerships (whether business or personal) and PARTNERSHIPS. HEAVEN SENT can help you understand ALL your interpersonal relationships, whether business or pleasure, gay or straight, romantic or platonic, by describing the details of your interactions.

To best understand your relationship with anyone, it is suggested that you first get their (and your own) natal chart interpreted. This tells you what makes them (and you) tick. Then, the comparison tells you what you each trigger in the other.

HEAVEN SENT is divided into two sections--the first deals with planets in houses, that is, which of your natal houses are triggered by his/her planets and vice versa. The second section deals with planets in aspect, or how your planets relate to each other. A true comparison involves a blending of everything said in both sections. This is important since there are often seemingly contradictory statements made, such as, "You are dear friends," and, "You compete with each other." Both would be true. They would simply manifest at different times.

There are two things HEAVEN SENT can do for you:

1. Give you information you did not already know and,
2. Validate what you've known all along. (Yes, you were right!)

Your birth chart interpretation is based on the positions of the planets at the time of your birth. For the benefit of students of astrology, these positions, along with other technical information, are listed below:

Mr. J's Sun Square Ms K's Moon:

Your relationship has strong emotional highs and lows. Whenever one of you expresses yourself, the other feels emotionally threatened. This can create arguments. This aspect represents the conflict between expressing yourselves when emotions run high and protecting yourselves, between creating and nurturing. You each want your way and have strong emotional reasons to justify yourselves.

Ms K's Sun Conjunct Mr. J's Neptune:

You adore each other because you see your dream of yourself reflected in the other's eyes. You inspire each other, believe in each other and can worship each other. However, you can also be deceived by the other through your own wishful thinking. This aspect makes the other appear too good to be true.

Ms K's Sun Sextile Mr. J's Pluto:

There is a powerful bond between you. You each understand the other's need for control, and allow them their space. The psychic energies flow naturally between you. As a team you are unstoppable---you can accomplish the seemingly impossible.

Mr. J's Sun Square Ms K's Pluto:

There is a strong power play between the two of you. You each want to be in control and are threatened by the fear of losing the game, for it is an all-or-nothing, winner-take-all game. You do not trust the other and are always looking for the other's weak spots, at the same time you are protecting yourselves from attack.

Ms K's Sun Square Mr. J's N. Node:

You block one another's creative flow, which deters you from expressing your highest and best.

Ms K's Moon Trine Mr. J's Mercury:

You communicate well, both verbally and non-verbally, because you understand each other and hear what is NOT being said as well as what is. You balance the emotional with the mental in your communication with each other.

Mr. J's Moon Square Ms K's Mercury:

You respond emotionally to each other's opinions and feel that the other does not see things clearly. When one of you is coming from the intellect, the other is coming from emotions. This makes it very difficult to understand each other because you are both constantly repeating and explaining yourselves.

Mr. J's Moon Conjunct Ms K's Mars:

You feel strongly about each other. You are impatient and competitive with one another. You keep each other on edge and trigger strong "me first" messages in one another.

Ms K's Moon Square Mr. J's Mars:

You constantly compete with one another and become angry when the other wins or when you do not get your way. You trigger past memories of unresolved emotional hurts from family members in each other

on a subconscious level. As a result, your relationship has strong emotional highs and lows. Your anger is right below the surface and you are always upset about something when you are together. The sexual energy between you is powerful.

Ms K's Moon Square Mr. J's Jupiter:

There is a conflict between generosity and tenacity in your friendship. You can exaggerate your own accomplishments at the same time you overindulge the other with gifts, praise, etc. As a result, honesty is replaced by exaggeration. You want to see yourselves as generous friends---and will prove it with a flair.

Ms K's Moon Trine Mr. J's Saturn:

You respect each other and encourage each other's maturity, wisdom, responsibility and loyalty. You take each other seriously and support the other's authority in your respective fields.

Mr. J's Moon Sextile Ms K's Uranus:

You bring out one another's uniqueness, inventiveness and individuality. You give each other the space to be yourself. As a result, you are friends.

Mr. J's Moon Trine Ms K's N. Node:

Your emotions blend and harmonize. You feel secure with one another.

Mr. J's Mercury Conjunct Ms K's Mercury:

Your social skills, as well as artistic appreciation, complement each other. You help one another see the positive and beautiful.

You trigger each other's practical thoughts and ideas. You respect one another's opinions and listen while the other speaks.

Your conversations are stimulating and fun. You trigger each other's sense of humor and innovative ideas. You are mentally and psychically in tune.

You encourage one another to express your ideas. There is a free flow of conversation between you.

Ms K's Venus Square Mr. J's Jupiter:

It is difficult for you to express your love for one another directly. In order to prove your love and, therefore, prove you are lovable, you express your feelings by overindulging each other: exaggerated gestures, expensive gifts, etc.

Ms K's Venus Sextile Mr. J's Saturn:

Going out of your way to prove or demonstrate your love for one another drains you.

You inspire one another to pursue your dreams. You believe in one another and encourage the other's limitless potential. You become practical idealists when you are together.

Ms K's Mars Conjunct Mr. J's Pluto:

You are each afraid of being controlled by the other. In order to prevent this, you attempt to be in control. The result is that you are controlled by control itself. Your feelings for each other are intense, and the sexual energy between you, powerful. When threatened, you retaliate with a vengeance.

Mr. J's Mars Square Ms K's Pluto:

Your feelings for each other are deep and intense, and the underlying sexual energies are powerful. You are jealous and possessive of one another. You manipulate each other in order to be dominant. Once hurt, vengeance comes into play and you do not forgive. Destructive actions can result.

Mr. J's Jupiter Square Ms K's Saturn:

You are resistant to one another's principles, yet you each want the other to reflect yours. When one of you is optimistic and the other is serious, you try to get the other to reflect you. You are torn between doing what you WANT to do and what you feel you SHOULD do.

Ms K's Jupiter Sextile Mr. J's Pluto:

Your psychic energies and universal insights combine to help mankind. You encourage one another to live according to your principles. You are truthful and believe in one another.

Mr. J's Jupiter Square Ms K's Pluto:

There is an all-or-nothing tone to your relationship. You each want to be in control---and that means in control of one another. Your combined sexual energies are intense and powerful. If one of you thwarts the other, vengeance ensues.

Mr. J's Sun in Capricorn and Ms K's Sun in Sagittarius:

Work versus play, or Optimism and faith versus Realism and doubt are likely to be issues in this relationship, with Ms K being the playful, optimistic one, and Mr. J being the realist. Many times Ms K will be in the mood for socializing, traveling, or engaging in some form of entertainment, while Mr. J feels that there are responsibilities that should be taken care of first. At such times Mr. J feels that Ms K is too irresponsible, inconsiderate, and immature, while Ms K feels that Mr. J is boring and dull.

If your dissimilarities are not too extreme, you can complement each other rather than frustrate each other, with Ms K providing the energy and vision, and Mr. J providing the steady hand and practical applications.

Mr. J's Moon in Libra and Ms K's Moon in Taurus:

Harmony, pleasantness, and peace in your personal relationships is so important to both of you that you'll ignore or cover up the conflicts and differences that exist between you and your friends. Both of you are very uncomfortable expressing anger and afraid of creating upheaval. As the song goes, "you'd do anything to avoid a fight"! Of course, Mr. J's innate diplomacy and courtesy, and Ms K's slowness to take offense go a long way toward keeping your friendship smooth. Both of you also have a strong need to be in beautiful, aesthetically pleasing, harmonious surroundings. Ms K's tastes tend to be simpler, less contemporary or fashionable than Mr. J's, but you both love and appreciate beauty very much. There are differences between you, though. Mr. J needs more conversation, communication, and give-and-take than Ms K is inclined to, for instance.

Ms K's Sun Conjunct Mr. J's Neptune:

You trigger one another's imagination and idealism. When it comes to practical matters and tangible, practical accomplishments, the two of you fail to coordinate effectively. Many times you fail to really understand each other, and it takes a long time for you to overcome superficial, stereotyped perceptions of each other.

Mr. J's Sun Square Ms K's Pluto:

Your relationship is intense and complex. You engage in deep, intense discussions and encounters that unveil your innermost thoughts, feelings, goals, hopes, fears, and ambitions. This is not a superficial relationship! You are very uninhibited with each other, and you open up to each other more readily than to others. Be wary of power struggles, however, as Ms K, in particular, may be tempted to manipulate and control Mr. J. Also, either of you may feel threatened, embarrassed, or disempowered by revealing so much of yourself to the other, and consequently feel the need to be secretive and competitive with each other. You have a profound influence upon one another, for good or ill.

Mr. J's Moon Conjunct Ms K's Mars:

There is a dynamic, almost aggressive quality to your relationship. A good outlet for this energy is competitive sports and outdoor activities. You enjoy challenging each other and competing against one another. You also have the ability to accomplish a great deal together and make a dynamic working partnership - as long as you can refrain from arguing with each other.

Mr. J's Moon Square Ms K's Mercury:

Ms K needs to guard against the tendency to be critical, unsympathetic, and overly analytical of Mr.

J's feelings, personal tastes, and habits. Ms K may feel that Mr. J is overly sensitive to criticism, and refuse to acknowledge responsibility for the problem as well. Petty annoyances, minor disagreements, and bickering can be avoided only if you both learn to listen sympathetically and to communicate clearly with each other.

Mr. J's Mercury Conjunct Ms K's Mercury:

The striking similarity in your thinking - the way you approach problems and handle specific mental tasks, as well as approach broader, more philosophical problems - provides a good basis for mutual understanding, ease of communication, and enjoyable conversation.

Mr. J's Mercury Square Ms K's Mars:

The tendency to argumentativeness, verbal abuse, and mutual misunderstanding is very strong so please heed the following advice: try to avoid abusive language towards each other, and do not try to coerce the other person to accept your views. You enjoy challenging each other's ideas, showing the weaknesses, inconsistencies, or superficialities in each other's reasoning. While the intention is good, the net result can be hurt feelings and anger. Typically there is some truth to each other's point of view, but a lack of real appreciation and respect for each other's ideas triggers argumentativeness.

Ms K's Mercury Trine Mr. J's Saturn:

You work together well on practical problems. You help each other refine and clarify your ideas, and help "edit" each other's work. Consequently you make a very effective team in business affairs and important or exacting work.

Mr. J's Venus Conjunct Ms K's Uranus:

The two of you can really loosen up and have a good time together. You are a good combination to have a party, because the enthusiasm and spontaneity of your interactions infect everyone with a feeling of being uninhibited, spontaneous, and even a bit wild at times.

Ms K's Venus Sextile Mr. J's Saturn:

There is a great deal of mutual trustworthiness, reliability, and responsibility in this relationship that makes you both feel that you can count on each other. You willingly make sacrifices for each other, and a deep friendship between you develops over time. You will assist each other a great deal over the years.

Ms K's Mars Conjunct Mr. J's Pluto:

You draw out of each other your deepest drives and desires. The two of you arouse a zeal and sense of mission in each other that makes it possible for you to jointly accomplish extraordinary tasks. However, your fears and anxieties are brought to the surface too, and there is no guarantee that your zealousness will produce positive, constructive results. You may become fanatical in an extreme and unbalanced manner. Also, jealousy and competition can be very volatile, disruptive, obsessive, and intense in this relationship.

Mr. J's Mars Square Ms K's Pluto:

You inspire, vitalize, and energize one another and you can accomplish much together, but you can easily become overly zealous, even fanatical, in your pursuits. It is also likely that your objectives will

sometimes be different and you will feel at cross-purposes with each other. You often end up in power struggles, being very competitive with each other, and trying to manipulate or dominate one another. Ms K, especially, can override or undermine Mr. J's efforts.
